## Capgemini Campus Drive

*Final Year B. Tech. - All Branches*

### Instruction to students from the Company

As we begin our hiring season, we are excited to invite you to participate in our flagship program, **Capgemini Exceller**.

At **Capgemini**, we believe that fresh perspectives fuel innovation. Our campus hiring program is not just about recruitment—it's about discovering potential, nurturing ambition, and building a strong foundation for long-term success by grooming future ready talent.

**Capgemini Exceller** is designed to empower students with a broad spectrum of opportunities to thrive in the technology landscape and reach the pinnacle of professional success. Through this dynamic programme, participants will collaborate with diverse teams, contribute to cross-functional initiatives, and cultivate strong networks with peers and mentors. By joining **Capgemini** through this program, they will become part of a global community of innovative thinkers, entrepreneurs, and industry experts, all driven to use technology to reimagine what's possible.

Our focus will be on identifying individuals who demonstrate curiosity, adaptability, and a passion for excellence which will ensure that they will thrive in the fast paced technology landscape we operate in.
