### **Mandatory Guidelines for Virtual Assessment for shortlisted students – on January 24, 2026 (9:00 AM)**

Please ensure that **all qualified candidates for technical assessment strictly adhere to the below guidelines**, which have already been communicated to them on their **registered email IDs via Superset**, for the **virtual assessment scheduled on January 24, 2026 at 9:00 AM**.

These instructions are **mandatory** and any deviation may lead to **disqualification or inability to attempt the assessment**.

---

#### **Pre-requisites (To be completed well in advance)**

1. Thoroughly review the **Aon Guide** for installation steps and FAQs.
2. **Install the SAB Tool** on a **Laptop/Desktop only** (refer to pages 9 & 10 of the Aon Guide).
3. The assessment will run **only on the SAB Tool**.

Web browsers and

mobile applications are **not permitted**.

**Apple (Mac) devices are NOT supported.**

---

#### **Assessment Best Practices**

##### **Do's**

1. The **system check is a one-time login process**.  
➤ **Do NOT submit** the system check if any error occurs.
2. Candidates are advised to use a **mobile hotspot as a backup internet connection** if connectivity is unstable.
3. Install **Google Chrome (latest version)** on the Laptop/Desktop.
4. Ensure **webcam and microphone are functional and ON** throughout the assessment.
5. Remain **seated in front of the webcam** for the entire duration.
6. Ensure the **full face is clearly visible** at all times.
7. Maintain **adequate lighting** to ensure clear visibility.
8. **Screen switching is disabled** after launching the SAB Tool—note login credentials on paper beforehand.
9. In case of errors, **refer to the FAQ section in the Aon Guide** immediately.

### **Don'ts**

1. Do not sit in **poor lighting conditions**.
  2. Do not **look sideways** during the assessment.
  3. Do not **leave your seat** at any point.
  4. Do not use **earphones, headphones, masks, or face shields**.
  5. Do not mute audio or unplug/cover the webcam.
  6. Do not use **any external gadgets, calculators, or accessories**.
  7. Do not press **Backspace or Refresh** during the assessment.
  8. **Any malpractice will result in immediate disqualification.**
- 

### **Troubleshooting Support (Event Day Only)**

For technical issues, candidates must email:

**aasindiatechsupport-capgemini@aon.com**

The email **must include**:

- Registered Email ID
  - College Name
  - Event Date
  - Screenshot/image of the error
- 

### **System Requirements**

- Functional **Webcam** (mandatory)

### **Operating Systems Supported**

- Windows 7 or above 
  - Mac  Not supported
  - Linux  Not supported
- 

Please **ensure this information is reinforced with students** and acknowledged by them in advance to avoid last-minute issues.

**Mr. Prasanna Ekhande**  
**Training & Placement Officer**
